### *"Italian Bilateral Scientific Cooperation Award"*

#### **Purpose**

The Italian Ministry of Foreign Affairs and International Cooperation (MAECI) instituted the *"Italian Bilateral Scientific Cooperation Award"* to recognize an Italian experienced scientist who has remarkably contributed to the advancement of science and technology, while performing his/her research abroad, thus improving Italy's S&T relations with foreign countries and International Organizations.

The award will be presented during the Italian Scientific Attachés Conference to be held in Rome next March 2022. All fields of science and technology are included under this award. The award consists of an engraved medal and a diploma of the Italian Ministry of Foreign Affairs and International Cooperation.

#### **Eligibility**

- The *"Italian Bilateral Scientific Cooperation Award"* is assigned to an Italian scientist for his/her outstanding contribution to the advancement of bilateral scientific cooperation in any field of science and technology, through their activity in Austria.
- The nominee should be resident in Austria at least since January 1<sup>st</sup> 2018.
- The nomination should be submitted by an eminent scientist who is holding a leading position in a Scientific Academy, University, Research Institute or S&T Department of the Government of the Country in which the nominee is working.
- The nominee should be an established scientist with an excellent academic and/or scientific career and a recognised track record of research achievements. He/She should have joint publications in high impact journals and/or should have developed technologies supported by international patents, in collaboration with scientists from Austria. Research activities within multilateral organizations hosted in Austria will be considered as well.
- At the time of publication of this notice, the nominee shall be a Senior Researcher (i.e. at least 10 years from Ph.D. graduation).
- Age limit: up to 65 years old at the time of publication of this notice

The award will be assigned without any restriction of gender, race or religion.

## Evaluation Criteria and Mode of Selection

Nominees will be evaluated on the basis of the following criteria:

- The scientific impact of the nominee's work and research
- Relevance of the nominee's work to Italy's bilateral S&T cooperation with Austria
- Potential for significant, long-term collaboration
- Promotion of young researchers' mobility (incoming/outgoing) to foster the creation of bilateral research teams
- Nominee's contribution to creative/innovative collaboration models
- Nominee's capacity to keep contacts with the Italian research community.

The Award Committee, chaired by the Head of Office IX of the Directorate General for Cultural and Economic Promotion and Innovation of MAECI, will be composed by the Presidents and/or Representatives of the major Italian Research and Academic Institutions.

The Award Committee will select the winner of the Award by the end of February 2022.

The *Italian Bilateral Cooperation Award* will be presented next March 2022 during a Ceremony to be held in Rome at MAECI during the Conference of Italian Scientific Attachés at the presence of the Minister of Foreign Affairs and International Cooperation.
